

## What to do in Case of an Emergency

### Checklist:

- Remain calm

- Listen to the radio or television news for what you need to do.

- If your family is separated, try to call one friend or relative to find your family.

- It is a good idea to set a place for your family to meet during an emergency.

- Follow the advice of local emergency officials about whether to stay where you are or leave.

### If you leave:

- Take identification cards, cash and other important papers.

- Wear clothing that covers your skin and sturdy shoes.

- Take your emergency supplies kit, cell phone and other items you may need.

- Take your pets.

- Shut off water and electricity if instructed to do so before leaving.

- Lock your home

- Go where the emergency officials tell you to go.
